

POINSETTIA FUNDRAISER INFORMATION

It is time for the highly anticipated **2020 ANNUAL POINSETTIA FUNDRAISER!** Let's join together to ensure that the Poinsettia Fundraiser for 2020 is a huge success. Getting out early will ensure that success. The price for the plants is \$10.00, our booster club retains \$3.00 for each plant sold by our team members.

These beautiful plants come from Southwest Wholesale Nursery in 6" pots. They are very popular and are easy to sell. **We encourage you to consider selling them to businesses as well this year.** They make beautiful holiday decorations for lobbies and offices. They are also great as gifts to family, friends, coworkers, neighbors, teachers, etc. They can be planted outside – they have been known to last through our hot Texas summer!

Also attached is the **Poinsettia Order Form**. Please be prepared to submit your order form with the money that is collected -- no later than **Friday, November 20th**. Please make your checks payable to: HHSCBC. Please your form into your directors on Friday. (**please do not send cash-** and I recommend you making a copy of your order form to keep with you.)

The Poinsettias will be delivered to the school on **December 7th**. More information about the time and place of pick up will be communicated later. Please plan on having your plants picked up after school, **No Later Than 6:00 PM**. We cannot keep the plants in the school building. If you will not be able to pick up your plants that day, please make arrangements for someone else to pick them up for you.

Last year the participation was great! Please ensure that your student does his or her part to support this fundraiser that will in the end benefit him/her and their club. The **Hebron High School Choir Boost Club** would like to thank each of you in advance for your participation and support.

Thank you

POINSETTIA FUNDRAISER

Benefiting the Hebron High School Choir Booster Club

Please make check payable to: **HHSCBC** | Plants are: **\$10.00**

Money and Order Form Due No Later Than Friday, Nov 20th

Plants will be available for pick-up on Monday, December 7th (no later than 6:00 p.m.)
